Fee to Promoter after expenses (10% of gross)	\$ 850

If you want to offer the courses at low-income reduced rates, like \$50 each, you must get a considerable amount of corporate/bank sponsorships. It's possible to do; just takes a concerted effort by several people.

NOTE: Keep in mind *all numbers are estimates*. Attendance numbers, program fees, etc. will vary.

Thanks for wanting to help us offer these valuable programs around the globe.
